MEDICAL TIMES

1980 ANNUAL INDEX

JANUARY THROUGH DECEMBER

Volume 108 • NUMBERS 1-12

SUBJECTS AND AUTHORS

Acne, How I Treat; John R. T. Reeves . . 3:81
Alcoholic, Beware of These Drugs When You Prescribe for a Recovering; Jon Rubinstein 9:33
Antibiotic Therapy, Seven Important Questions on; Daniel M. Musher 9:47
Anturane Prevents Second Heart Attacks, Four-Year Study Confirms; Anne Mattarella 5:129
Arrhythmias, Answers to January Self-Assessment Quiz on 3:80
Arrhythmias, Quinidine-Induced; David E. Pittman 3:109
Arrhythmias, Self-Assessment Questions on; 1:113
Arrhythmias, Supraventricular, Recognition and Management of; Christopher Wyndham 1:52
Arrhythmias, the Diagnosis of, Four Important Procedures; Eric L. Michelson, Leonard S. Dreifus 1:35
Arrhythmias, The Management of Life-Threatening; Jeremy N. Ruskin 1:69
Arrhythmias, Ventricular, Ambulatory Management of; Joel Morganroth 1:42
Asthma, Four Strategies for Treating; Gennaro M. Tisi 4:2s
Burns—A Quick Guide to Initial Evaluation; Arthur J. Wise 4:46s
Calcium Antagonists, The Year of the; Gordon A. Ewy 10:115
Calorie Control, New Approaches to Diet Management; John K. Davidson 5:35
Cancer of the Esophagus, Therapeutic Choices for; John R. Brooks 7:42
Cardiac Problems in the Elderly; Gordon A. Ewy 10:55
Cardiopulmonary Resuscitation and Defibrillation, New Developments in; Gordon A. Ewy 10:59
Catastrophic Disease, Aphorisms for; William Regelson 2:89
CAT, In Defense of the; 7:1s
Cholesterol Affects Atherosclerotic Lesions, How Reduced; Richard W. St. Clair 2:49
Clinical Paper, 21 Tips to Help You Write a Better; Williams D. Snively, Jr. 6:57
Cold, The Common, New Concepts of Transmission and Prevention; Theodore G. Klumpp 11:1s
Contraceptive Advice, A Guide to; Jerome Abrams 3:1s
Coronary Artery Disease, Surgery Does Improve Survival in Two and Three Vessel; Gordon A. Ewy 10:75
Coronary Artery Disease, The Role of Vasospasm in; Gordon A. Ewy 10:126
Coronary Artery Disease, What We're Learning About; John F. Stapleton . . . 10:41
Coronary Death, Sudden, Predictors and Prevention; Philip B. Oliva 8:57
CPC: A New Kind of, About a Five-Day-Old Puerto Rican Baby; Herbert Berger 7:55
Deaf, When a Person Suddenly Goes, William L. Meyerhoff 2:25s
Death, A Doctor Examines His Own; John Pascal 8:29s
Dermatitis, How I Treat Hand; Ernst Epstein 3:35
Dermatitis, How I Treat Seborrheic; David L. Cram 3:73
Diabetes, Answers to May Self-Assessment Questions on 7:101
Diabetes, New Classification of. 5:32
Diabetes, New Evidence that Controlling Hyperglycemia in, Is Important; Joseph R. Williamson, Charles Kilo 9:83
Diabetes, Self-Assessment Questions on . 5:152
Diabetes, What You Should Know About, and How to Control It: Patient Information Sheet 5:87
Diabetic Neuropathy; Frank Netter 5:48
Diabetic Retinopathy and Cataracts; Frank Netter 5:24s
Diaper Rashes, How I Treat; Mary L. K. Williams 8:49
Diarrhea Persists, When; Howard P. Sherr 8:76
Diets, High-Fiber, Newer Approaches to Diet Management; James W. Anderson 5:41
Drug Abuse on the Brain, The Effects of; Calvin L. Rumbaugh, Harry C. H. Fang 3:37s
Echocardiogram of the Month; Nicholas J. Fortuin
2: Mitral Valve Prolapse 1:124
3: Atrial Myxoma. 2:45
4: How Echocardiography Works . . . 3:120
5: Hypertrophic Cardiomyopathy . . . 4:50
6: The Enlarged Heart—I Pericardial Effusion 6:75
7: The Enlarged Heart—II Dilated-Type Cardiomyopathy 7:66
8: The Enlarged Heart—III Left Ventricular Volume Load 8:95
9: The Enlarged Heart—IV Right Ventricular Dilatation 9:75
10: The Normal and Bicuspid Aortic Valves 11:102
11: Calcific Aortic Stenosis 12:77
Electrocardiogram of the Month; William P. Nelson
23: A Potpourri of "Poisoned" People 2:32
24: Pre-excitation of the Ventricles . . . 3:21
25: "Wachycardia" in the Wolff-Parkinson-White Syndrome 4:76
26: Parasystole—"One Heart Beating as Two!" 5:129
27: Varieties and Vagaries of the Vexing VPC 6:67
28: Disturbances of Impulse Formation 7:61
29: More on the Causes of Pauses . . . 9:116
30: Sometimes Two Wrongs May Make a Right! 11:108
31: It Takes a Thief to Catch a Thief! . 12:87
Electromyography: When to Consider It—What to Expect From It; Donald H. See 12:1s
Electromyography in Peripheral Nerve Injuries: When to Consider it—What it Can Tell You; Shin Joong Oh 6:94
Endocarditis: A Changing Clinical Picture; John F. Stapleton 10:91
Endocrine Disorders, Diagnostic Approach to; George W. Thorn 11:28
Endocrine Disorders, Self-Assessment Quiz on 11:90
Exercise Program, Ten Steps to a Successful; Thomas M. Flood 5:69
Family Practice Recertification Examination, Impressions of a "Retread"; Hubert F. Manuzak 5:1s
Foot Eruptions, How I Treat; Joseph H. Greenberg 8:25
Foot, Saving the Diabetic; Marvin E. Levin 5:56
Genes and Their Disease Associations; Charles C. Dugan 1:1s
Grand Rounds from Ohio State University, Fainting; James V. Warren 9:62
Grand Rounds from Rutgers—Familial Hypercholesterolemia, Hadley L. Conn, Jr., Peter T. Kuo, Avedis K. Khachadurian, John B. Kostis 4:112
Grand Rounds from the University of Michigan—Disorders of Purine Metabolism: The Immune Connection; Joseph Zibrak, Irving H. Fox 1:12s
Groin Eruptions, How I Treat; Steven A. Davis 3:53
Hand Injuries, Initial Assessment of; Harold E. Kleinert, Allen Van Beek 4:22s
Heart Failure, Congestive, Use of Vasodilators and Cardiogenic Drugs in; John F. Stapleton 10:120
Heart Problems, Self-Assessment Questions on Hard-to-Manage 10:94
Heart Valves, Advantages and Disadvantages of Various; John F. Stapleton . . . 10:78
Hemophilia, The Family Physician's Role in Managing; Andrew E. Weiss 7:10s
Herpes Simplex, How I Treat; Richard G. Glogau 3:65
Herpes Zoster—The Best Approach; Donald D. Nuss 6:47
Hippocrates, The Oath of 7:22
Holter Monitoring: When to Consider it/What to Expect; Bernard D. Kosowsky 6:82
Hyper- & Hypothyroidism: Current Status of Diagnosis & Treatment; Flor Geola, Inder J. Chopra 2:64
Hypertension, Adrenal Causes of; Robert G. Dluhy, Gordon H. Williams 11:61
Hypertension in the Elderly: 12 Tips on When and How to Treat it; Thomas W. Sheehy 6:31
Hypertension Prevention and Treatment, What the Experts Are Saying About; John F. Stapleton 10:27
Hypoglycemia?, Is It Really, If So, What Should You Do?; M. Alan Permutt . . . 4:35
Hypothyroidism, A Common Endocrine Disease in All Age Groups; P. Reed Larsen. 11:47
Immunology Simplified: How the Immune System Works; Stewart Sell 12:60
Impetigo, How I Treat; Detlef K. Goette . 8:21
Infant, When a Family Loses an; Judyth E. Finn 2:1s
Infarction, Predicting the Clinical Course After; John F. Stapleton. 10:39
Insulin Injection Per Day Improves Control, More Than One; Thomas G. Skillman . 5:104
Insulin, When the Patient is Resistant or Allergic to; John A. Galloway 5:91
Laetrile—Its Current Status, The Supreme Court Decision, National Cancer Institute 1980 Studies 12:36
Mammary Gland, The, A Mirror of the Endocrine System; Kendall Emerson, Jr. 11:35
Medicine, The Greatest Success Story in the History of; James G. Hirsch 9:36
Muscular Dystrophy?, What Should the Family Expect When a Child Has; E. Williams, P. Nichols. 7:24s
Myocardial Infarction, Acute, Management of; Gordon A. Ewy 10:31
Myopericardial Disease; John F. Stapleton 10:87

More ▶

Neuropathic Syndromes, What's New for; Rex S. Clements, Jr. 5:45
Olympic Physician, What It's Like to Be an; Allan H. Bruckheim. 9:100
Oral Agent, When—and How—to Use an; Charles R. Shuman. 5:77
Osteomyelitis, The Initial Treatment is Crucial in; Harold C. Neu, Stephen J. Pancoast 4:56
Paganini, Nicolo: Musical Magician and Marfan Mutant?; Myron R. Schoenfeld 11:117
Pain, Factors that Influence the Perception of Intractable; C. J. Glynn 3:11s
Pancreatitis, Acute, At What Point Should You Consider Surgery?; Frederick C. Lane, Pankaj Amin. 6:38
Pap Test, Other Uses of the, The Urinary Tract; John F. Seybolt 1:30s
Patient, Assessing the Surgical Risk in an Elderly; Thomas W. Sheehy 7:37
Patient Complains, When a, "I Keep Getting Dizzy, Doctor!"; Nicholas Torok . 2:8s

Patient Education Charts
Cardiac Arrhythmias . . . . . Jan.
Heartburn . . . . . Feb.
Hypertension . . . . . March
Aneurysm . . . . . April
Diabetic's Feet 5:62
Appendicitis 6:101
Anatomy of the Liver 7:53
Nasal Polyps. 8:73
Intestinal Polyps 9:93
Pulmonary Embolism 10:47
Spleen. 10:105
Endocrine System 11:33
Anatomy of the Thyroid. 11:51
Peptic Ulcer 12:85

Patient, When You're Faced With an Unconscious; Harry H. White 2:27
Patients, Elderly, With Intellectual Decline, What Can We Offer?; Louis R. Caplan 12:27
Patient's Job Killing Him, Is Your?; Hector P. Blejer 7:91
Patients, Pregnant, Tell: Do Not Smoke; Stanley M. Garn 10:18s
Pigmentation Problems and What You Can Do For Them; Karl J. Kramer, William H. Eaglstein 10:1s
Postinfarction Exercise and Sex, Three More Votes for; John F. Stapleton . . . 10:83
Pregnancy, Common Complaints in, Update for the 80s; William S. Freeman. . 11:7s
Psoriasis, How We Treat; David A. Grekin, Howard I. Maibach. 8:17
Pulmonary Embolism, Newer Approaches to; John F. Stapleton. 10:45
Reye's Syndrome—1980; Robert S. Dobrin 9:1s
"Sarcoid, All That Glitters is Not", Part 1—Making the Diagnosis; D. Geraint James 5:4s
Sarcoidosis—Part 2: More on the Differential Diagnosis; The Usual Course: Treatments of Choice, Prognosis; D. Geraint James 6:12s
Sarcoidosis, Quiz on; 6:30s
Skin Disorders, Answers to March Self-Assessment Questions 5:124
Skin Disorders, Self-Assessment Questions on 3:92
Skin Disorders—2, Answers to August Quiz on. 10:90
Skin Disorders—2, Self-Assessment Quiz on 8:100
Smoking, More Clinical Implications of the Surgeon General's Report on; 2:34s
Stroke, Stopping the, Before it Strikes; Alfred V. Perrson 4:44
Surgery, Noncardiac, A Point System for Evaluating a Patient for; Gordon A. Ewy 10:67
Tachycardias, Pacing for; John D. Fisher. 1:86
Tax Tips for Doctors; Andrew P. Brucker 2:114; 3:26; 4:85; 5:134; 6:103; 7:105; 9:21; 11:25; 12:19
Thorn, George, A Conversation with; W. Proctor Harvey 11:75
Thorn, George Widmer, Dr. George Cahill Talks About His Friend and Colleague; George Cahill 11:89
Thyroid Tests, How to Make Sense Out of the New; Robert V. Farese 4:95
Times Ago; Clifford H. Keene Luck: 7:99; Caprice: 9:26; Justice: 11:22s
Tinea Capitis, How I Treat; Richard B. Odom 3:45
Tinea Corporis, How I Treat; William R. Crain 8:37
Tinea Faciale, How I Treat; William R. Crain 8:33
Tinea Versicolor, How I Treat; Marc E. Goldyne 8:41
Trauma: What to Do Until the Surgeon Arrives: Penetrating Injuries of the Lung; Szabolos Szentpetery, Lazar J. Greenfield 9:36s
Trauma: What to Do Until the Surgeon Arrives: Tendon Injuries; Hazel I. Holst, William D. Jones, III 8:1s
Tuberculosis, Be Alert to the Possibility of; Alan O. Feingold 6:1s
Vascular Disease, Modification of Platelet Function in; John F. Stapleton 10:60
Vasculitis in Systemic Lupus Erythematous; Herbert S. Diamond 7:83
Warts, How I Treat; Rees B. Rees. 3:31
Wintrobe, Max—Master Mentor; Herbert L. Fred 1:23

AUTHORS AND SUBJECTS
